

Bridging London

Connecting Londoners to Christ

Making Followers of Londoners

Jesus tells us in the Gospel of Matthew to “Go therefore and **make disciples** of all nations...” and I believe that every Christian should have this as their personal mission statement. The commandment to take the Gospel everywhere and make followers of Christ is not just for foreign

missionaries but is the duty of all believers.

Our mission is to make followers of Londoners. In order to accomplish this task we must start new churches that start churches. London is sick with sin and in need of spiritual healing. White blood cells are involved in protecting the body against infectious diseases and we need them to survive. Just as the body needs white blood cells to fight off infection, so too the city of London needs Bible believing and Gospel preaching churches to fight off the infection of sin.

Bridging London has an important work to do and we need your help.

Want want see Londoners place their faith and trust in Jesus. If we don't proclaim Christ and plant churches, millions of souls in London will spend their eternity apart from God. We cannot do this work without you. Thank you to all of you who support us. If you don't currently financially support us and would like to, call Joshua at **479.899.7704** or check us out on our website bridginglondon.org.

Happy Birthday Daphne!

We are celebrating another birthday in our family this month. Our daughter Daphne is turning 1 on the 20th .

We cannot believe how fast this past year has gone. Daphne is such a huge blessing to our family and we wouldn't know what to do without her. She's already walking and is really

keeping us busy. Please continue to pray for her and especially this month. Thank you!

Our Travels...

Our family is having fun on the road and God has blessed us with new partners and churches over the past few months. We have had the privilege of being in Texas in January and we'll be in the state off and on through March. Joshua got to go to the Texas BBF meeting in San Antonio a couple of weeks ago and we got to be a part of a Mission Conference in Forth Worth just last week. **The most exciting thing we experienced during last week's conference was the response of the teens to our vision for London!**

Pray for Us...

We need you to continue to pray...1)For travel safety as we're very busy over the next 2 months 2)That our FALL 2016 calendar will continue to fill up 3)For the city of London. 4) For our health.

~THE BELL FAMILY
